

## THE NATIONAL SCIENCE FOUNDATION

*50 Years dedicated to the Progress of Science and Engineering*

Investing today in science and engineering for tomorrow's discoveries through:

Fundamental research

Education of future generations of scientists and engineers

Thanks, NSF, for pioneering research that brings us:

- Web browsers
- Weather prediction, Doppler Radar
- Artificial organs
- MRI—Magnetic Resonance Imaging
- Cleaner industrial processes
- Laser surgery
- Bar code technology
- Improved environmental hazard predictions

### CNSF Capitol Hill Exhibition & Reception

Come see the latest research and education projects made possible by NSF funding

May 17, 2000, 5:30 – 7:30 PM at Rayburn House Office Building, B338- 340  
RSVP: 202.842.3525

Sponsored by CNSF, a coalition of 80 professional societies, universities, and corporations advocating support for the National Science Foundation.
