

COALITION FOR NATIONAL SCIENCE FUNDING

8th Annual CNSF Exhibition and Reception May 15, 2002

The Coalition for National Science Funding invites your participation in the 8th Annual CNSF Exhibition and Reception for Members of Congress and their staffs. The purpose of the event is to showcase the crucial role of the National Science Foundation in meeting the nation's research and education needs. In 2001, the 7th Annual Exhibition attracted a capacity crowd, including many Members of Congress and about 100 congressional staffers. Exhibitors and guests alike considered the event a great success.

The 2002 CNSF Exhibition and Reception will be held on May 15, from 5:30 to 7:30 pm in Rayburn House Office Building B338 – 340. Refreshments will be served throughout the evening. All Members of Congress and appropriate staff will be invited.

Please complete and return the attached registration form with payment by March 15 to reserve a space for your organization. The registration fee is \$250. Because we receive more requests than we have space available, priority will be given to CNSF members who are current in their dues. Each member organization may register only one exhibit at this time -- if you are interested in sponsoring a second exhibit, please make a note on your registration form and we will contact you if extra space becomes available.

Once we receive your registration form, we will email to you logistical materials about the event, in addition to a supplemental form requesting more detailed information about your exhibit.

Special Request for Contributions

CNSF is seeking contributions to help cover the costs of the reception. Even if your organization is not able to sponsor an exhibit, please consider providing funds to help with these expenses. All contributions of \$200 or more will be acknowledged by identifying the contributing organization as a Donor on program materials. All contributions of \$400 or more will be acknowledged by identifying the contributing organization as a Co-Sponsor on program materials.

Your involvement in this exciting event is greatly appreciated. If you have any questions or comments, please contact Nadine Lymn at 202-833-8773, ext.205, or email nadine@esa.org.
